

Title of project	Shropshire Council Division	Town Councillor	Project Description	Infrastructure Type	Lead Organisation	Additional Notes Town or Parish Council	Additional Notes Shropshire Council
Traffic calming measures on Belverdere Avenue	Abbey	Mary Davies	Measures to reduce traffic speed as its used as a cut through from Abbey Foregate through to Belverdere	Highways	Shropshire Council		
Preston Street and Portland Cresent signage	Abbey	Mary Davies	Improved signage on junction of these streets to warn motorists of junction. This is an increasing problem since the Preston Street/Weir Hill development has progressed, and improvements to the pavement for pedestrians are also needed here	Highways	Shropshire Council		
Abbey Foregate pedestrian safety measures	Abbey	Mary Davies	There are a number of residential homes and sheltered huisng schemes on this road and signage to indicate to drivers to be cautious of oder residents would be helpful. Ideally a pelican crossing by Sainsburys would help older pedestrians cross more safely	Highways	Shropshire Council		
Bell Lane Traffic Calming	Abbey	Mary Davies	Traffic calming measures along the length of the road	Highways	Shropshire Council		
Open Space Enhancements Peace Drive Public Open Space	Abbey	Mary Davies					
Low Traffic/Parking Management Holy Cross/Abbey Foregate	Abbey	Mary Davies					
Facility Refresh Greenfields Rec	Bagley	Alex Phillips					
Masterplan Shorncliffe Rec	Battlefield	Becky Wall					
Highways Improvements Shillingston Drive	Battlefield	Becky Wall					
Clearway Featherbed Lane	Battlefield	Becky Wall					
Roundabout Improvements Battlefield Roundabout	Battlefield	Becky Wall					
Review of traffic safety and speeding along the A5191 Belle Vue and Hereford Road A13	Belle Vue	Kate Halliday	Residents concerns about speeding on this section of road, including an accident in summer 2023 when a car ended up on its roof. There have also been numerous "near misses" reported	Highways	Shropshire Council		
Review of potential residents parking scheme in Belle Vue	Belle Vue	Kate Halliday	Response to issue of car parking outside properties in Belle Vue where there is limited off street parking.	Highways	Shropshire Council (Shaun Sutton?)		
Review of doctors surgery capacity in Belle Vue and Column	Belle Vue	Kate Halliday	Residents concern about lack of appointments at surgeries in the Belle Vue area. This needs to be linked in with the wider review of GP paractice capacity across Shrewsbury being undertaken by the Integrated Care Board (ICB)	NHS England	Integrated Care Board Shropshire		
Upgrade of Play equipment Meole Rise Play area	Belle Vue	Kate Halliday	Exisiting play area is well used but the equipment could benefit from being upgraded	Community Infrastructure	Shrewsbury Town Council		
Potential for improvements to community space either side of Greyfriars Bridge	Belle Vue	Kate Halliday	With the development of new shops in Coleham and St Julian's Friars this is an important gateway into the town and improvements to the public spaces here could help enhance the area, and make it more attractive for people to spend time here	Community Infrastructure	Shrewsbury Town Council; Shropshire Council		
Potential for improvements to green space between Upper Road and Hereford Road	Belle Vue	Kate Halliday	As a green space surrounded by housing could this area be ehanced to encotrage residents to spend more time here ie improved seating, sympathetic planting etc	Community Infrastructure	Shrewsbury Town Council		

Title of project	Shropshire Council Division	Town Councillor	Project Description	Infrastructure Type	Lead Organisation	Additional Notes Town or Parish Council	Additional Notes Shropshire Council
Potential transfer of land at Wellspring Centre to community use	Belle Vue	Kate Halliday	The Wellbeing Centre occupies a central location in Belle Vue and it appears its existing owners maybe looking to dispose of the site, which could provide the opportunity to repurpose the site for an additional use	Community Infrastructure	Shrewsbury Town Council		
Potential to expand the wildlife corridor alongside Drawwell Street as an improved habitat	Belle Vue	Kate Halliday	Expand the corridor for lizards and other wildlife along the railway embankment and beyond from Drawwell St towards the rear of Meole Rise and Meole Bowling Club	Community Infrastructure	Shrewsbury Town Council		
Play Area Minor Refurbishment Douglas Way	Bowbrook	Alex Wagner					
Football Pitch Improvements Oxon Rec	Bowbrook	Alex Wagner					
Footpath Link Clayton Way Coppice	Bowbrook	Alex Wagner					
Pedestrian Crossing Improvements Welshpool Road	Bowbrook	Alex Wagner					
Highways Improvements Shelton Road	Bowbrook	Alex Wagner					
Long-term Vision for Ditherington Community Centre	Castlefields & Ditherington	Alan Mosley	Develop a long-term vision for Ditherington Community Centre as a community asset	Community Infrastructure	Shrewsbury Town Council		
Facility Improvement for Castlefields Community Centre	Castlefields & Ditherington	Alan Mosley	Develop a plan of repairs for Castlefields Community Centre as a community asset	Community Infrastructure	Shrewsbury Town Council		
Redevelopment Tennis Courts All Saints Rec	Castlefields & Ditherington	Alan Mosley					
Cycle Route Upgrade Castle Footbridge/New Park Road	Castlefields & Ditherington	Alan Mosley					
Pedestrian Crossing Improvements Ditherington Road	Castlefields & Ditherington	Alan Mosley					
Accident Cluster Scheme Ditherington Road/Springfield Gardens	Castlefields & Ditherington	Alan Mosley					
Improved signage and road markings at Thrower road, Maxfield Drive and Aldi Car Park	Column	Rosemary Dartnall	New signage required as additional housing and commercial development on this road has significantly increased vehicle movements and drivers are not aware who has priority at junctions	Highways	Shropshire Council		
Improved cycle lane markings on Oteley Road	Column	Rosemary Dartnall	Existing lines are faded and not clear and need to be repainted. In itself not a Place Plan project but could form part of wider review of highways infrastructure and signage on Oteley Road	Highways	Shropshire Council		
Older Children Play Provision Improvement Springfield Rec	Column	Rosemary Dartnall					
Improvements to Parking Provision Springfield Rec	Column	Rosemary Dartnall					
Pedestrian Crossing Improvements Wenlock Road	Column	Rosemary Dartnall					
Highways Improvements Weir Hill Development/Preston St	Column	Rosemary Dartnall					

Title of project	Shropshire Council Division	Town Councillor	Project Description	Infrastructure Type	Lead Organisation	Additional Notes Town or Parish Council	Additional Notes Shropshire Council
Upgrade links from Longhirst Gardens, Kirkland Avenue and Merlin Road to NCN 81	Copthorne and Bowbrook	Rob Wilson/Alex Wagner	Project to bring this section of path to LTN 1/20 standard and link to Bowbrook	Highways	Shropshire Council		
Crossing on Shelton Road near Shorncliffe Drive to link Copthorne Park and Thornhill Road to NCN 81	Copthorne	Rob Wilson	Project has been put forward as part of enhancement to wider cycle network, but also to support local access to Shorncliffe drive. Potential to be an LCWIP project	Highways	Shropshire Council		
Crossing on The Mount to link new houses on the north of the road to the south, potentially in the vicinity of Shelton Fields	Copthorne	Rob Wilson	Also potential to link to an LCWIP project	Highways	Shropshire Council		
Footway widening on The Mount from Shelton Road to Richmond Drive	Copthorne	Rob Wilson	This section of the pavement is very narrow and difficult to use with a pushchair, wheel chair, and makes pedestrians feel vulnerable when vehicles pass at speed.	Highways	Shropshire Council		
Development of former Parade Ground at Shorncliffe into a public park	Copthorne	Rob Wilson	Project in process of being developed - contact through Town Council	Community Infrastructure	Shrewsbury Town Council		
Upgrade Copthorne Road and Porthill Road roundabouts	Copthorne	Rob Wilson	Upgrade roundabouts to meet LTN 1/20 standards. Routes are important links from west of Shrewsbury to town centre	Highways	Shropshire Council		
Changing Facilities Radbrook Rec	Copthorne	Rob Wilson					
Football Pitch Improvements Boiler House Pitch	Copthorne	Rob Wilson					
Football Pitch Improvements Radbrook Rec	Copthorne	Rob Wilson					
Highways Improvements 201 Mytton Oak Road	Copthorne	Rob Wilson					
Pedestrian Crossing Copthorne Road	Copthorne	Rob Wilson
