##### 26.1 Consultation: School Streets Initiative - Mereside School, Shrewsbury

The Town Clerk reported to Committee that on 11 June 2024 Shropshire Council made an order to place experimental Prohibition of Motor Vehicles restrictions on the following lengths of roads in Shrewsbury:

- Childrens Way – its entirety
- Mereside - from its junction with U4701 Sutton Way to its junction with U4710
- Pool Rise
- Ripple Close – its entirety
- Springfield Green – its entirety
- Wenlock Road - from its junction with U4701 Sutton Way to its junction with U4721 Childrens Way
- Woodlea – its entirety

The restrictions would operate between 8:15am and 9:00am, and between 2:30pm and 3:30pm, Monday–Friday, during school terms at Mereside Primary School, Shrewsbury.

The Order came into effect on 24 June 2024 and would operate for a period of up to eighteen months. The Council would consider in due course whether its provisions should continue in force indefinitely. Any comments from Members were required by 24 December 2024.

Councillor Dartnall welcomed the school street initiative and hoped it had a positive impact on school travel.

**RESOLVED:**

**No objections were raised for this consultation.**

***Councillor Addams joined the meeting.***

## **26.2 Consultation: Proposed changes to the on-street parking charges**

The Town Clerk reported to Committee that Shropshire Council proposed to make changes to its on-street Pay & Display and Residents Parking Permit charges. Documentation was circulated to all members prior to the meeting. If members wished to make comments on these proposals the deadline date was 2 August 2024.

Councillors objected to the proposed changes and agreed that the evening extension charges were likely to be detrimental to the evening economy. The proposed charges were creating barriers to visitors of the town, and it was also an additional charge to staff who worked during the evening.

**RESOLVED:**

**The Town Council objects to the proposed charges and comments would be forwarded to Shropshire Council**

## **26.3 Consultation: car park charges**

The Town Clerk reported to Committee that Shropshire Council proposed to make changes to the charges in some of its car parks. Documentation was circulated to all members prior to the meeting. If members wished to make comments on these proposals the deadline date was 2 August 2024.

Councillor Dartnall commented that the charges at Shirehall came in to force in December 2023 and they have already increased by £100.

Councillor Davies was disappointed to see the proposed Sunday charges. The proposal would push the parking problem further out of the town.

Councillor Halliday stating the charges would put increased pressure on to the on-street parking and any charges proposed by Shropshire Council should have been phased.

**RESOLVED:**

**The Town Council objects to the proposed charges and comments would be forwarded to Shropshire Council**

**26.4 Notification: permanent one-way restriction on New Street, Shrewsbury**

On 4 July 2024 Shropshire Council made an order to place the following One-Way restriction for motorised traffic onto New Street, Shrewsbury: The length of A488 New Street situated from its junction with Park Avenue to Quarry View, in a north-easterly direction. These changes came into effect on 12 July 2024.

<b>23.</b>	<b>24/02257/FUL</b>	Proposed Dwelling To The South Of Beehive Lane Shrewsbury Shropshire	Erection of 1No dwelling	Objection

The Town Council objects to this application as the scale of the building is excessive and would have dominance in the local area. They also raised concerns about the precedent this application could have for future development in a green corridor. They also had strong concerns about the adverse effect the development would have on the environment and wildlife in the area. It was agreed that the green corridor should remain fully open and the impact this application would have on the Shropshire Way. There were also concerns regarding the impact of construction and vehicle access on a large, well-used pedestrian route, causing disruption to Beehive Lane. The proposal would significantly impact the character and appearance of the area.

<b>38.</b>	<b>24/01805/FUL</b>	River Thai Restaurant & Bar Smithfield Road Shrewsbury Shropshire SY1 1PG	Change of use from restaurant to bar/ venue	Objection
------------	---------------------	---	--	-----------

The Town Council objects to this application. There are road safety concerns due to potential crowding when leaving the premises which is next to a busy main road. The car parking area needs to be a staging area to access the property to support road safety measures. Shropshire Council Public Protection should also be consulted to check noise levels and the opening times should be closely controlled and restricted to match other night time economy businesses in the locality.
